Portfolio Cash Management and Trading

PROFESSIONAL PROFILE

As a Portfolio Advisor, Chris is deeply involved in day-to-day operations for Claris clients. He works on many areas of wealth advising, including portfolio creation, implementation, management and analysis to help meet personalized goals. Chris is Series 65-licensed and assists in portfolio cash management and trading. Using Monte Carlo reporting, he analyzes wealth and financial planning performance and advises adjustments as needed. Claris's passive, evidence-based investing philosophy fits right in with Chris's passion for helping clients.
